

Tarot Reading for Reading for Dr Z

Give me guidance in the area of romantic love.

1 Covers You: Six of Pentacles

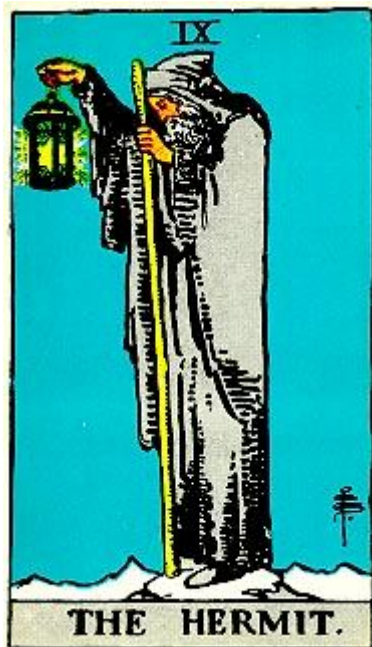

The atmosphere and influences affecting the situation.

Focus

The focus is on token starts; promising enterprises or career opportunities, investment potentials; health decisions; solvency and gratification.

Romance

You will be wishing or hoping a lover will call or come by.

2 Crosses You: IX The Hermit

Obstacles that stand in your way.

Disappointment

You are going to be very disappointed in the "things" of the earth, i.e., life, love, and the pursuit of happiness.

Others

Though you have suffered deprivation, loneliness, or enforced isolation, you are about to make a major transition into a new lifestyle.

Romance

An old flame or romantic interest will reenter your life, but you may still be strangers.

3 Crowns You: Three of Cups

Your aims or ideals, the best that can be achieved in the situation.

Guidance

Mundane: Realize what it is you're striving for or what you want to represent, and know the supply will meet the demand. Whatever you choose will be the right choice. Esoteric: This is a highly impressionable and sensitive time because you're operating on the emotional plane and your body is in tune and susceptible to all kinds of new sensations. But a healing will come and a feeling of peace, grace, and gratitude will follow.

Success

Your success will come through friends, social outings, or social connections, and some or all of your expenses will be paid by another.

Romance

You need to be loved and nurtured, and you will want to BE loving but need to feel that you are loved and fulfilled first. An empty cup can't quench anyone's thirst.

4 Beneath You: Five of Pentacles

The foundation or basis of the situation. What the past has given you to use.

The Home

You will be feeling discouraged or melancholy and in need of a rest from mental or emotional stress.

Inheritance

You will come to the realization that the only thing worth seeking is wisdom and understanding.

Romance

You will long to be with the one your heart yearns for -- no other can take his/her place or fill the void, and try as they might, others will not succeed. This could also indicate an illicit love affair.

5 Behind You: Seven of Cups

The recent past. Influences passing out of the situation.

Endings

Searching, seeking, questioning, or wanting will come to an end.

Romance

You will experience a lot of vacillation in matters of the heart and will be looking for the right approach or the right mate. Or, you will have so many other things on your mind that love will be the furthest thing from it.

6 Before You: XV The Devil

Immediate future. Influences passing into the situation.

Beginnings

You will be fed up with the lack of results for your efforts and trying to keep your "chin up" through setbacks and reversals, and you will decide to withdraw your energy or give up.

Romance

You will still carry a flame for the one you love, and you hope to recover what was lost and begin again.

7 Your Role: Knight of Swords

Your significator, your position and attitude in the situation.

Focus

The focus is on renewed business activity, financial security, or potential enterprises; rising from obscure status to a more prominent or fruitful position; and decisions concerning investments, partnerships, and love affairs.

Romance

Though you don't see it coming, you will soon be swept up in a powerful love affair that is going to change your life dramatically.

8 Environment: Page of Swords

Your "house". The circumstances and immediate friends that influence the situation.

Friends

Unseen elements will begin to surface that will be like a second wind in your relationship.

The Home

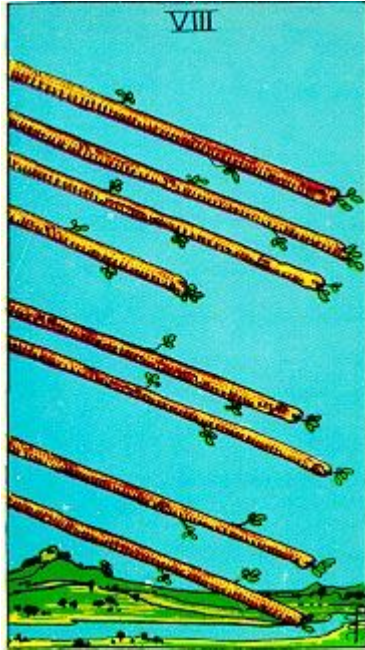

You will be preparing to travel, and an unexpected and distressing event will occur upon your arrival or return home. At some point, you will be considering a roommate.

Family

A relative will call or arrive (or you will call on them). And you, or someone in your family, will be planning to travel or go abroad.

Romance

You will want to walk away from or forget a painful relationship, but you won't be able to.

9 Hopes & Fears: Eight of Wands

The hopes and fears of the situation.

Anxiety

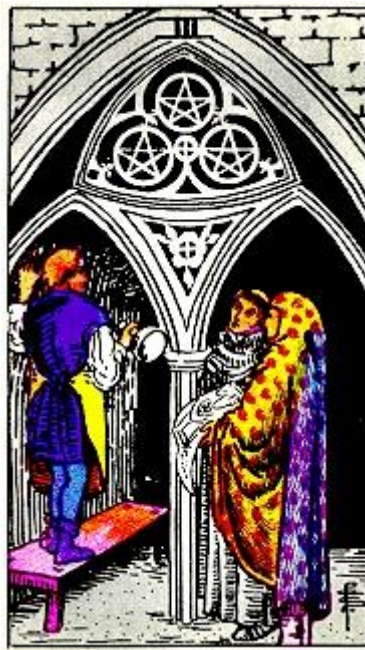

You will be feeling pressured to get things done, and there will be too many activities or responsibilities to handle all at once. You will also have problems with travel plans or your family.

Desire

You want to speed things up, settle a matter of concern, or branch out on your own.

Romance

This is a positive time for romance. If a significant love affair doesn't begin (a very warm and enchanting one), you'll at least be charmed by an admirer or two.

10 Culmination: Three of Pentacles

The culminating card, the final result of the situation.

Outcome

You'll be in the process of embarking on a new business venture and considering activities with an eye toward the future. You will also make arrangements to talk with someone or meet with them again.

Romance

Memories of the past will begin to fade away, freeing you to accept new opportunities.
